

# Field day

## Soil organic matter forum and biochar field day

**Friday 27 March, 9am – 12pm**

Armidale Bowling Club, 92-96 Dumaresq St

**Interested in soil carbon?** Come to discuss how carbon moves through soil, the benefits of organic matter for fertility, resilience and productivity. We will hear the basics and latest findings from researchers, and from the experiences of local farmers.

The forum will be followed by a biochar field day on **Saturday 28 March 9am - 12pm at Invergowrie**

International expert **Rui Anaya de la Rosa** will take us through the benefits of biochar, and run a demonstration of making biochar. Attendees will get to take home a sample of the biochar we make on the day.

### Featured presenters include:

Brian Wilson	UNE
Ivannah Oliver	UNE
Aaron Simmons	DPI
Karl Andersson	LLS
Rob Kelly	Guyra Farmer
Richard Makim	Armidale Farmer

### RSVP for both events:

**Karl Andersson**, Northern Tablelands Local Land Services
