CARING FOR OUR COUNTRY

History

The Glen Innes Natural Resources Advisory Committee (GLENRAC) was formed on 22nd June 1989 by a group of people who were interested in land management and land conservation issues in the local area.

GLENRAC became an incorporated body in 1992. The group's range of interest is largely represented by the Glen Innes Severn Council local government area.

Free copies of the comprehensive “Resource Kit for Rural Landholders on the Northern Tablelands” are available from the GLENRAC office. Call in and collect a copy.

What Glenrac can do for you?

Our mission statement

Our mission is to provide coordination and the effective management of the productive, environment and social resource base of the Glen Innes district.

Our objectives

GLENRAC aims to promote the:

- Increase in native vegetation
- Control of pest and feral animals
- Effective natural resource management
- Control and management of weeds
- Improved water quality
- Sustainable farming practices
- Prevention of soil erosion
- Improved soil structure and fertility
- Enhanced catchment health
- Rehabilitation of mine sites
- Funding for natural resource initiatives

Our Services

GLENRAC is committed to providing the people of the Glen Innes community with opportunities to carry out natural resource management on private, leasehold and community lands.

Training & education

GLENRAC can organise education and training opportunities for you to learn more about natural resource management.

Planning & management

GLENRAC can provide project management to carry out on-ground works, advice on natural resource management issues and design. We help landowners to manage their properties in a sustainable way, and to maintain profitability.

Find us on Facebook

Funding for on-ground works

GLENRAC will put individuals or groups in touch with funding opportunities to carry out natural resource management activities. We will also assist groups or individuals to complete applications for funding opportunities.

Join GLENRAC

GLENRAC offers free membership for any individual, family or business interested in natural resource management. Members receive regular news, funding opportunities and events updates. Visit our website or the office for a membership form.

If you would like to join a local Landcare group a list of all our local groups is on our website. GLENRAC has a range of groups including Urban Bush Landcare for those interested in improving the condition of the environment within the Glen Innes township, and geographically based groups such as Rummerys Hill Landcare and Glen East Landcare.
