## Current Funding Opportunities

**New Funding**

**Northern Rivers CMA Incentive Grants**

NRCMA Incentive grants for 2012/13 have now opened. If you are a Northern Rivers CMA landholder you can apply for a small grant, under \$5,000 or major grants, up to \$112,500 over two years.

Guidelines and application forms are now available at [www.northern.cma.nsw.gov.au](http://www.northern.cma.nsw.gov.au) Applications close on the 27th April at 5:00pm.

**GLENRAC Project Planning Workshop Thursday 12th April Glen Innes Services Club**

GLENRAC will host a project planning workshop for interested landholders this Thursday at the Services Club from 10:00am to 3:00pm.

This workshop is open to anyone who is interested in learning about planning projects, how to prepare budgets and complete application forms for any project.

The workshop will consist of a presentation on project planning at 11:00am and 1:00pm with staff available throughout the day to assist with project applications.

*No RSVP required, just turn up on the day.*

**Property Planning & Monitoring Workshop**

**Wednesday 16th May Glen Innes Services Club**

GLENRAC & GYWMAC Landcare will be host the **Resources Consulting Services** workshop "Property Planning & Monitoring" as part of the Severn River project.

This workshop will cover the principles of property planning and give participants an overview of what property

monitoring is and how to do it practically and to deliver value to your farm plan.

Cost is \$20 per person. Places are limited to the first 20 paid registrations. Contact GLENRAC for more details, 02 6732 3443.

**Managing Land for Carbon**

A one day workshop for landowners developed by NSW Primary Industries. 100% subsidy may be available for those eligible for Farm Ready.

The course will cover policies, technicalities and practicality of soil and forest carbon. The course incorporates a preliminary land assessment and impartial advice; twenty techniques to build soil carbon and a cost/benefit analysis.

If you would be interested in attending this workshop please contact GLENRAC. More information is available on the website, [www.glenrac.org.au](http://www.glenrac.org.au)
