12th June 2012

*Have Your Say—Local Opportunities*

**Catchment Action Plan Information Session**

**Monday 18th June 10:00—12:00**

**Glen Innes Services Club**

The new Catchment Action Plan for the Northern Rivers will set priorities for investment in natural resource management projects over the next decade, from Port Macquarie to Tweed Heads and west to the Tablelands.

On the New England Tablelands, the process is being closely coordinated between the Northern Rivers CMA and the Border Rivers Gwydir CMA.

Residents and landowners are invited to find out more at a series of public consultation workshops being held across the region during June.

**Why:** Find out how priorities will be set for natural

resource management in the Northern Rivers region over the next decade, and discover how you can have your say.

**Who:** Presented by the Northern Rivers Catchment Management Authority (CMA) in cooperation with the Border Rivers Gwydir CMA.

*If you would like to have your say on the future of the Catchment Action Plans we would like to see you there!*

**Native Vegetation Regulation Review**

A draft of the Native Vegetation Regulation and Private Native Forestry (PNF) Code of Practice has been released for public consultation. A series of information sessions will be held across regional NSW in June & July to explain the proposed changes. The public consultation is your chance to influence the outcomes of the review.

**Information Sessions**

Grafton 3rd July

Inverell 12th July

Tenterfield 16th July

**PNF Information Sessions**

Grafton 3rd July

Tenterfield 4th July
