Current Funding Opportunities

Don't forget current funding from the Australian Government closes soon. Individuals can apply for these grants. GLENRAC will also be submitting group applications on behalf of Glen Innes & District landholders.

Action on Ground

Applications close 8 February 2012. Visit www.daff.gov.au

Biodiversity Fund

Applications close 31 January 2012. Visit www.nrm.gov.au

New Funding

Funding for Flood Damage ~ January 2011

Two grants are currently open for funding for flood damage caused by the January 2011 floods.

ary 2011 floods.

1. Granite Borders Landcare Flood Damage Project

Landholders from Tenterfield, Glen Innes & Inverell districts are invited to submit an **Expression of Interest** as the first stage of applying for funding under this program. Landholders from Northern & Border Rivers Gwydir catchments are invited to apply.

For a copy of the application form is available on the GLENRAC website or contact the GLENRAC office. Applications close **9 March**.

2. Border Rivers Gwydir CMA Flood Recovery Funding Project

Landholders in the BRG-CMA disaster declared areas from the Jan' 2011 floods are invited to apply for funding. Forms are available on the

BRG-CMA website, www.brg.cma.nsw.gov.au. Applications close 6th February.

Severn River Project

GLENRAC & GWYMAC have obtained funding from the Australian Government to develop a river reach plan for the **Severn River**, provide funding for on ground works on properties adjoining the Severn River and to run two educational workshops.

A questionnaire has been sent out to landholders to complete to gauge interest in participating in the project. If you own land on the Severn River but did not receive a letter, please let us know and we can send one to you. If you did receive a letter, *don't forget to send it back* to ensure you are keep up to date with the project and the opportunities it may offer for funding on ground works.
