13th November 2012

Local Training Opportunities

Low Stress Stock Handling Training

GLENRAC will host a Low Stress stock handling school on the **4th & 5th of December** at "Ardleigh" Kings Plains via Glen Innes.

The school will be presented by Chook Kealy from Walcha and should be an informative and practical two days. Numbers will be strictly limited to 25 people. It is first paid – first in – no exceptions, no refunds.

GLENRAC will offer the school on a subsidised basis for \$330 per person GST Inc. The school is usually \$770 per person which is a great saving and local. Tea & coffee will be provided but you will need to supply all your own meals.

Payment can be made to GLENRAC Inc. BSB 932 000, Account Number 659 671.

Please use your name as the reference. An email with your details including trad-

ing name for a tax invoice would also be appreciated. If you would like more information please contact the GLENRAC office on 02 6732 3443.

Quad Bike Training Glen Innes

NSW DPI are offering one day training courses for quad bike handling on Thursday 29 Nov or Friday 30th Nov. At the Glen Innes Research & Advisory Station.

Quad bikes are provided for all course participants. The course has a mix of indoor and outdoor instructions. The course costs \$340.00 per person GST Free. Registrations close by 14 Nov. Ph 02 6763 1285 for more information.

How to use a GPS workshops 2013

GLENRAC will continue to run "How to use a GPS" workshop in 2013. The workshops are free for landholders and usually run for two hours. GPS units are

supplied. If you would like to attend a workshop in 2013, let us know at the office and we can add your name to the list. Phone 02 6732 3443.

Revegetation Mapping for Glen Innes farms

GLENRAC currently has a project running to map revegetation plantings on farms across the Glen Innes district. Staff members, Tanya Weir and Kylie Walker have mapped a number of properties to date and are looking for more.

If your property has had native trees planted on it any time in the past 20 years we would like to hear from you.

GLENRAC staff can come out on farm and map or trees, or you can learn how to use a GPS and map your own.

The information from this mapping project will be hugely valuable for GLENRAC is developing future project applications for funding so please be a part of it! Ph 02 6732 3443.
